⁴ including all channel alien crosstalk (PS ANEXT and PS AACR-F) parameters

Technical report

DELTA-N312615-02, DANAK-19J2082

Manufacturer code

1859AA

Certificate valid until

30 September 2010

This product has been tested by DELTA EC Cabling Group and complies with the electrical requirements of the above specified standards and "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of certification schedule, which implies that DELTA EC Cabling performs a sample test of the product once a year.
